

Start time is at 7:30 a.m. in front of Sun & Ski Sports

Your last ride before school is out and the full summer heat hits us!

Pedaling the Prairie is a non-competitive bike ride held annually in Katy, Texas, to benefit the athletic department of Faith West Academy.

This year's ride is on Saturday, May 17, 2008. Start time is at 7:30 a.m. from the Katy Mills Mall Sun & Ski parking lot on the east side of the mall at 5000 Katy Mills Circle, Katy, TX 77494

Ride in comfort knowing that there will be breakpoints approximately every 10 miles. Refreshments will be provided at all breakpoints to keep you hydrated and energized. Your safety and well-being is our major concern, as we will have well planned routes, police escorts through major intersections, and mechanical and medical support at the rest stops. SAG vehicles and ride Marshall support will also be included.

The ride travels along several courses ranging from a 10-mile family ride to a 100-mile endurance ride. The different routes take you around the Katy, Fulshear, Simonton, San Felipe and all the way to Bellville. You can expect to experience the prairie, rolling meadows, rural flatlands and even some challenging hills.
